

GaLeMo Montessori School in Klosterneuburg - located closely to Vienna, Austria – is looking for a

Montessori English Native Teacher (m/f/d) for Primaria 2 for up to 23 class hours per week (for schoolyear 21/22, starting in August 2021)

Would you like to...

- enjoy work and enable personal growth of children,
- be treated respectfully and experience personal value,
- leverage your personal strengths, and deep-dive into your teaching interests,
- be recognized as a person for your contributions,
- collaborate in a good team environment,

Our kids are looking for that, too.

Are you excited to work with youngsters, parents and an energetic and innovative pedagogic team? We are looking for a **Montessori English-Native Teacher** from USA, Canada, UK, South Africa, Australia, New Zealand or comparable **with relevant teaching certification and work permit for Austria (EU)**, in order to entrust you in our GaLeMo School with the following tasks:

- Guiding the development of the second plane children according to cosmic education
- Planing, presenting and documenting presentations in all subjects
- Helping students to improve their social and emotional skills
- Working effectively in a bilingual team
- Collaboration with the parents
- Input & feedback to the school teaching leadership team and the Board
- Active design and continued development of the GaLeMo school, e.g. by collaboration in extending our school to levels 10 -12 (Internationale Baccalaureate)

We offer:

- Salary according to professional experience and number of years in service according to MiLoTa (the Austrian regulated teaching pay); the minimum salary based on 23 class-hours per week is 2.760,63 € gross per month.
- An excellent equipped work place with perfect reach ability by public transport (S-train Station Klosterneuburg Weidling)
- A place with fruitful dynamics, where your opinion counts
- An environment, in which we care for your personal development
- Supervision and coaching
- The best pedagogic team, which we are dreaming about for our children 😊
